WORK EXPERIENCE

GRAPHIC DESIGNER & PRINTING OPERATOR

ASK Print shop
Calgary, AB.

August 2024 to present

- Supported clients by coordinating projects from start to finish.
- Developed quotes and managed client invoices, creating task lists to ensure project deadlines are met.
- Successfully created visually appealing print ready designs for clients, some including, logos, banners, and labels for products.
- Helped develop client files to properly meet printing requirements, including bleed limits, image quality, proper dimensions and colour requirements.

FREELANCE GRAPHIC DESIGNER

Remote

August 2023 to August 2024

- Created design propositions and pricing outlines for different projects showing an understanding of pricing structures and project time estimates.
 - Supported clients by guiding them through the design process, clearly describing project expectations, number of revisions, project updates, file types, as well as the final result.
 - Helped create interesting, responsive logos based on client descriptions, while adhering to brand guidelines.
-

GRAPHIC DESIGNER & SOCIAL MEDIA COORDINATOR

October 2022 to August 2023

AlphaDigital Printing &
Signs
Calgary, AB.

- Created daily content for the company's social media pages, creating captions and descriptions for each post. And keeping track of page performance and stats using the meta business suite .
- Converted and edited client files to appropriately match printing requirements, ensuring that clients received.
- Successfully crafted visually appealing graphic design samples by developing graphics, logos, and icons to ensure alignment with brand/client guidelines.
- Managed end-to-end customer communications, including sending emails, overseeing shipments, addressing project inquiries, and fulfilling customer requests
